

# A Gateway to Breakthrough Thinking

**BARTLEY J. MADDEN** is the author of *Wealth Creation* as well as *Free To Choose Medicine*. Visit his website at [www.LearningWhatWorks.com](http://www.LearningWhatWorks.com)

Buy “**Reconstructing Your Worldview**” on [Amazon.com](http://Amazon.com)

“This fine book is a down-to-earth primer on what every businessperson in a dynamic economy needs to know about modern knowledge in economics, psychology, and philosophy.”

---

## **EDMUND PHELPS**

Nobel Laureate in Economics  
Columbia University

“The power of this short and incisive book is its bringing together some of the key insights from neuroscience, psychology, systems thinking, and culture studies.”

---

## **EDGAR H. SCHEIN**

Society of Sloan Fellows Professor  
of Management Emeritus  
MIT

“Madden’s book provides a cognitive roadmap to achieve triumphant strategic thinking and wealth creation.”

---

## **WERNER DE BONDT**

Driehaus Professor of Behavioral Finance,  
DePaul University

“What I discover for myself out of what Madden writes makes a profound difference in my own performance beyond being merely informed, and makes a difference in my quality of life as well. I can be unreserved in recommending his book.”

---

## **WERNER ERHARD**
